

International Finishing Trades Institute (iFTI)

FTI 1109C OSHA 500

Course Information

Course Hours: 40

Course Description: This course is designed for members interested in teaching the 10- and 30-hour construction safety and health outreach program. Special emphasis is placed on those topics that are required in the 10- and 30-hour programs as well as on those that are the most hazardous, using OSHA standards as a guide. Course participants are briefed on effective instructional approaches and the effective use of visual aids and handouts. This course allows the student to become a trainer and to conduct both a 10- and 30-hour construction safety and health course and to issue cards to participants verifying course completion. NOTE: Students in OSHA 500 who wish to participate as authorized trainers in the Outreach Program must successfully pass a written exam at the end of the course. Outreach trainers are required to attend Course 502 at least once every four years to maintain their trainer status (Certification Period: 48 months).

Course Objectives:

- Prepare a presentation on an assigned OSHA Construction Outreach topic.
- Pass a performance exam and a knowledge-based.
- Conduct both 10-hour and 30-hour construction industry classes.
- Learn effective instructional approaches, adult learning principles, and training techniques.
- Define and explain construction industry hazards as they teach 10-hour and 30-hour construction outreach courses.
